SYNOPSIS

KDHE indicated contractors must be licensed to construct wells but opined the water or the quality of water is determined if needed by the recipient.

DETAILS

On August 26, 2015, SA (b) (6), (b) (7) contacted (b) (6), (b) (7), Professional Geologist with the Kansas Department of Health and Environment (KDHE). (b) (6), is the (b) (6), Water Well Unit. (b) (6), indicated KDHE regulates the water well construction. More specifically, the program oversees the proper construction, reconstruction, treatment and plugging of water wells and to provide data on potential water supplies in Kansas. (b) (6), stated sampling and analysis of the well are at the discretion of the recipients at their expense, unless the County or local Governments perform such acts. (b) (6), provided contact information for the Rice County Sanitarian (620/257-5331), who (b) (6), indicated may be able to provide specifics for such area.
